Global Positioning System (GPS) / Geographic Information System (GIS)
GPS/GIS Technician

The NYS Office of Parks, Recreation, and Historic Preservation (OPRHP) is seeking a qualified candidate to fill a GPS/GIS Technician position. The position is a temporary/seasonal position located in Albany, NY at 625 Broadway in the GIS Bureau. Extensive field work and travel all over the state will be required.

Responsibilities:
Under supervision of GIS Bureau staff, primary duties include database development and maintenance, GPS data collection and processing resulting GIS data into state park database, cartographic production, and GIS analysis. GPS data collection duties include inventorying trails, infrastructure and limited natural resources within a state park facility.

Minimum Qualifications:
* Potential candidates will have or be in the process of completing a BS or BA in natural resources, planning, forestry, environmental science or GIS.
* Proficiency and experience with ArcGIS Desktop 10.x

Preferred Skills and Experience:
* Familiarity with Trimble GPS units (such as the GeoXT) and Pathfinder Office.
* ESRI Spatial Analyst

Salary: $13.55/ hour, 37.5 hours per week
Application deadline: May 30, 2015
