

2022 SURF Application

INSTRUCTIONS AND INTRODUCTION

Please complete this form to apply for the 2022 Smith College Summer Undergraduate Research Fellows (SURF) program by Friday, February 25, 2022. Late applications are accepted. However, applying now ensures we have all of the info needed to consider your application for the first round of funding and for any funding that may become available later on in the spring.

Once you submit your application, a copy will be automatically emailed to you.

[The SURF website](#) is a collection of practical information for participants. If you have questions about the SURF program or the application please email surf@smith.edu.

INFORMATION ABOUT THE APPLICANT

***Legal first name:**

*** Legal last name:**

Preferred first name:

INFORMATION ABOUT YOUR APPLICATION

*** Please choose the DEPARTMENT of the advisor you would like to work with during SURF.**

If you're not sure of the department or did not see it listed above, please note that here.

If you are intending to work with faculty in [Chemistry](#) or [Computer Science](#), please list faculty advisors in order of your preference.

Please select the name of the research advisor at Smith you would like to work with.

Applications to the Smith SURF Program must be endorsed by a Smith faculty member, instructor, or staff member in the sciences. This is your advisor for your SURF project.

If you are considering additional research advisors for your project, or your advisor is not listed above, please enter their names and departments.

SAMPLE

***How many weeks would you like to participate in the SURF program? The standard is 10 weeks, but it is possible to participate for a shorter duration. This can be finalized later on with your advisor.**
